

Ben & Holly's  
Little Kingdom

## Banner

Best when printed on 110lb cardstock.  
Cut around each banner piece and  
assemble like example and enjoy!

Punch a hole in each upper side of your  
banner piece. Place string through holes  
to make your full banner. My favorite is to  
tie between each with ribbon, a cute little  
bow adds extra cuteness. Pick themed  
ribbon for a themed design.
