

Picture Frame Craft – made to fit 4x6 photo

1. Print and cut out frame on **card stock paper**.
2. Cut out middle of frame (white area with x)
3. Tape picture to back of frame.
4. Tape or glue triangle to back of frame like example shown below.

Extra: if you would like a better looking frame, you can cut out a back side from blank cardstock and glue to the back of the frame before adding triangle stand.
